Technical drawing of a circular mechanical assembly, likely a cross-section of a ring or a similar component. The drawing includes the following labels and features:

- 2**: The central circular area.
- 8**: The outer boundary of the assembly.
- 10**: The inner boundary of the assembly.
- 14**: A rectangular component at the bottom center.
- 16**: Two circular components on the left and right sides of the bottom rectangular component.
- 42**: A horizontal line segment in the upper center.
- 44**: A horizontal line segment in the upper right.
- 46**: A horizontal line segment in the upper left.
- A**: Two circular components in the upper left and right areas.
- F**: Two horizontal arrows pointing outwards from the top center.
- Handwritten note**: "this line is missing" with an arrow pointing to a dashed line on the right side.
